To celebrate all the great work that you are doing and that has been generated by our educational workshops, we will present one-time awards at our National Convention in the following categories:

**Best all-around Consumer Protection Program**

**Criteria** - photos of your grounds and a short essay on what you've done to improve your overall plan since taking the CPP workshop or hearing about the workshops/issue, examples of records etc.

**Most innovative hand washing / hand sanitizing station**

**Criteria** - photos of the station and area including photos of the station actually being used; building plans to share with others including list of materials etc.

**Best education program for consumer protection**

**Criteria** - photos and a short essay on your program, examples of printed material / marketing, etc.

All submissions should be sent electronically to [info@canadian-fairs.ca](mailto:info@canadian-fairs.ca) by September 30, 2008.
