

NANCY PAISH

Nancy Paish has been with Westerner Park for the last 15 years. Integrating her work in every aspect of our Fair, Nancy really has done it all at Westerner Days. From looking after 25+ food vendors, running agricultural events, organizing the 100+ vendor tradeshow, coordinating the Kids Corral, and tackling sponsorship - Nancy is a natural born leader with a knack for adaptation. Always facing crisis with a calm demeanor and solution-oriented mind set, Nancy's character is described as both gracious and dynamic in nature.

A humanitarian at heart, Nancy has been involved in our Share The Fair program from the very beginning. Share The Fair takes the Westerner Days experience to the kids and families who might not otherwise make it to the event due to health issues. Each year, Share The Fair brings Westerner Days performers to showcase their acts and spread joy at the Ronald McDonald House and the Red Deer Regional Hospital. She also developed our Morning of Faith programming that happens the Sunday morning during Westerner Days. Morning of Faith is a non-denominational service that invites the public to join us for a morning of music and worship.

Successfully balancing two full-time positions, Nancy is currently the Business Development Manager and interim Marketing & Communications Manager for Westerner Park. On top of that, she actively volunteers her time in our community with Aspire Special Needs Resource Centre and Cross Roads Church. Nancy is a loving wife to her husband Rick, and a devoted mother to their five children. At just 38 years old, we could not think of anyone more deserving of this honorable recognition.
